On March 17, 2020, the Governor of California issued Executive Order N-29-20 suspending certain provisions of the Ralph M Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Pursuant to the current Shelter-In-Place order issued by the San Mateo County Health Officer which became effective on March 17, 2020, and which was updated and recently extended on April 29, 2020; the statewide Shelter-In-Place Order issued by the Governor in Executive Order N-33-20 on March 19, 2020; and the CDC's social distancing guidelines which discourage large public gatherings, the San Bruno City Hall is no longer open to the public for meetings of the Traffic Safety and Parking Committee.

If you would like to make a Public Comment on an item not on the agenda, or comment on a particular agenda item, please email us at dhwong@sanbruno.ca.gov. The length of all emailed comments should be commensurate with the three minutes customarily allowed per speaker, which is approximately 300 words total. Emails received before the special or regular meeting start time will be forwarded to the Traffic Safety and Parking Committee, posted on the City's website and will become part of the public record for that meeting. If emailed comments are received after the meeting start time, or after the meeting ends, they will be forwarded to the Traffic Safety and Parking Committee and filed with the agenda packet to become part of the public record for that meeting.

Individuals who require special assistance of a disability-related modification or accommodation to participate in this meeting, or who have a disability and wish to request an alternative format for the agenda, agenda packet or other writings that may be distributed at the meeting, should contact David Wong, Principal Civil Engineer, 48 hours prior to the meeting at (650) 616-7065 or by email at dhwong@sanbruno.ca.gov. Notification in advance of the meeting will enable the City of San Bruno to make reasonable arrangements to ensure accessibility to this meeting, the materials related to it, and your ability to comment.
